

Guitar Red

Guitar Red Releases Debut Album, August 2008

<http://decaturnmetro.com/2008/08/20/guitar-red-releases-debut-album/>

A familiar face and voice to Decaturites and Brick Store regulars alike, blues man Billy Christian Walls has produced and released his first album on Backspace Records! AntiMusic has his story.

Purchase it for \$9.99 here, or perhaps inquire about it the next time you hear him rocking and wailing out in front of the Brick!

Cheers Guitar Red!
