### **Tunes for Kids 5 and Up**

**Artist:** The Baby Grands

**Album:** TBG

Why we love it: Smooth, mellow, groovy—this Atlanta trio's CD would be equally appropriate for listening to while lounging on the beach or waiting out a rainy day in the living room. It's upbeat without being raucous.

Take note: The tongue-in-cheek song, "Pluto," laments the former planet's demotion to dwarf status.
