Guitar Red - *Lightnin' In A Bottle*

Backspace

Jesus. This is all I've ever wanted. This is blues as perfectly articulated as history has ever given us. It's perfection, through and through.

Guitar Red, real name Billy Christian Walls, is 44, dealing with the hells that are life (alcoholism, drug addiction, heartache, and homelessness), and plays some of the most honest music I have ever heard in my life. Blues is not a genre that really diverges from its preset path, but somehow *Lightnin' In A Bottle* surpasses everything anyone could hope for. If you like blues, you actually just need to have this. Really.
